

Compliance Internships

Are you an enthusiastic and self-motivated individual who thrives in a collaborative, fast paced, competitive and customer focused environment? If so, come intern with us in the Summer of 2018 and see what a potential career with Fidelity Investments might entail! We have multiple internships available in multiple sites as noted.

The internship opportunities will be in Enterprise Compliance function and specifically within the following groups:

- **eMonitoring:** review electronic communications to screen for potential violations of Fidelity policies (Albuquerque, NM)
- **Political Law:** manage firm-wide compliance to pay-to-play laws and regulations at the federal, state and local level (Westlake, TX which is in the Dallas/Fort Worth area)
- **Executive Services & Policy Group:** oversee various firm wide policies such as Code of Ethics, Rules for Broker Dealer Employees, Personal Conflicts of Interest and Outside Activities and transaction related to these policies (Westlake, TX which is in the Dallas/Fort Worth area)
- **Transfer Agent Compliance:** responsible for recordkeeping and shareholder processing on behalf of the Fidelity Funds (Covington, KY)
- **Training Team:** identify and prioritize training needs to design, develop and deploy effective training solutions to associates as to their responsibility to protect our customers and the firm (Merrimack, NH)
- **Global Sanctions:** responsible for Fidelity's compliance with economic and trade sanctions administered by the U.S. Treasury Department's office of Foreign Assets Control and similar authorities (Boston, MA)
- **Technology & Data Compliance:** foster Fidelity's ability to build and manage technology solutions, protect data, and ensure a technology lens on the regulatory & legislative landscape (Boston, MA)

** When applying, please include a cover letter and indicate the role you are applying for. **

The Expertise We're Looking For

- Rising Senior working towards a BA/BS
- Strong overall GPA and within Major
- Robust problem solving and analytical skills
- Demonstrable leadership experience within school, extracurricular activities, and/or professional settings
- Proven team player who takes initiative and works constructively with others to achieve team goals
- Ability to work on multiple tasks and manage priorities simultaneously to deliver results

The Purpose of Your Role

- Participate in challenging work assignments to increase knowledge and gain valuable experience within the financial services industry
- Support quality improvement initiatives
- Research, organize, analyze and summarize information for a variety of programs and subjects
- Collaborate and partner with team members to identify, resolve and address multiple situations

The Value You Deliver

Bring a fresh perspective and eagerness to help us solve challenges, identify new opportunities for enhancements, and think about our businesses and customers in a different way. Your strong presentation, written and interpersonal communication skills will be of great value.

How Your Work **Impacts** the Organization

The primary motivation is to drive positive change throughout the firm by providing independent and objective services that help Fidelity manage risk, improve customer service, and enhance business performance.

What will you receive from us?

- Ongoing coaching and feedback from your direct manager, including career development guidance
- Invaluable professional experience at one of the leading financial services firms
- Access to cutting edge tools and technology
- Networking opportunities with Fidelity leaders and colleagues
